$80.00

LENGTH	LIQUID LINE	SUCTION LINE	FITTINGS	INSULATION
16 ft	**1/4" OD copper**	**1/2" OD copper**	**Brass flare nuts, both ends of both lines**	**Closed-cell foam on both lines**

The 16 Ft. Standard Flare Mini-Split Lineset, 1/4" x 1/2" Insulated Copper is an official Zone Air accessory sold direct by Zone Air (BNZ Distributing LLC) at $80.00. A conventional 16 ft mini-split lineset: a 1/4" liquid line and a 1/2" suction line in soft copper, each wrapped in closed-cell insulation, with brass flare nuts on both ends. It fits any mini split or heat pump that uses 1/4" x 1/2" flare connections, which covers most 18,000 to 24,000 BTU systems from any brand.

SPECIFICATIONS

Length	**16 ft**
Liquid Line	**1/4" OD copper**
Suction Line	**1/2" OD copper**
Fittings	**Brass flare nuts, both ends of both lines**
Insulation	**Closed-cell foam on both lines**
Tubing Material	**Soft annealed copper**
Refrigerant	**Not pre-charged (ships empty)**
Typical Systems	**18,000-24,000 BTU mini splits with 1/4" x 1/2" flare connections**

DIY INSTALLATION REQUIREMENTS

Refrigerant	**Not pre-charged (ships empty)**
Vacuum pump required	**Yes — evacuate before charging**
EPA 608 certification required	**Yes — to charge the system**
Installed by homeowner	**Not recommended — licensed HVAC installer**
Installation	**Vacuum and charge by a licensed HVAC installer**

RETURNS & SHIPPING

Returns	**30 days, uninstalled, RMA**
Restocking fee	**25% + return freight**
Shipping	**Free, 48 contiguous states**

COMMON QUESTIONS

Do I need a vacuum pump or EPA certification to install it?

Yes. This is a conventional lineset that ships empty, not pre-charged. The flare joints must be made up, the lines pressure tested and evacuated with a vacuum pump, and the system charged, so Zone Air recommends installation by a licensed HVAC technician.

Is this an extension or a complete lineset?

A complete 16 ft matched pair (liquid line and suction line), not an extension.

Which systems does it fit?

18,000-24,000 BTU mini splits with 1/4" x 1/2" flare connections.

Can it be returned?

Yes, within 30 days of delivery if uninstalled and an RMA is issued. Buyer's-remorse returns carry a flat 25% restocking fee plus return freight.
